

**ENERGYPLUS UFAD WORKSHOP: WEDNESDAY, OCT. 21, 2009, 12:00 -4:30 PM
TAMALPAIS ROOM, DAVID BROWER CENTER, 2150 ALLSTON WAY, BERKELEY**

DRIVING DIRECTIONS

See instructions on Thursday map to reach the UC Berkeley Campus.

PARKING

Park in any lot designated for C permits. To park in campus lots you must hang from your mirror the parking pass provided by CBE (remember to scratch off today’s date.) We suggest the lot near the corner of Bancroft and Fulton, or the parking structure at the corner of Addison and Oxford. Both are noted on the map above. Additional C parking is available at other locations noted above by “P,” and at smaller lots along Oxford Street, and on the street along Frank Slessinger Way (enter from Oxford between Center and Allston) .

FROM BART

1. The Brower Center is very convenient to BART. Take BART to the Downtown Berkeley station.
2. Walk south on Shattuck to Allston Way. Turn left on Allston and walk one block. The Brower Center is on the right at the end of the block.
