Three overriding workplace trends

Heterogeneity Different cultures, generations and personality types

Choice We are consumers at work too

Space Private office shifting to open office

Open office challenges

Acoustics Simultaneously providing for concentration and collaboration

Technology Accommodate all scales of use

Technology Accommodate all scales of use

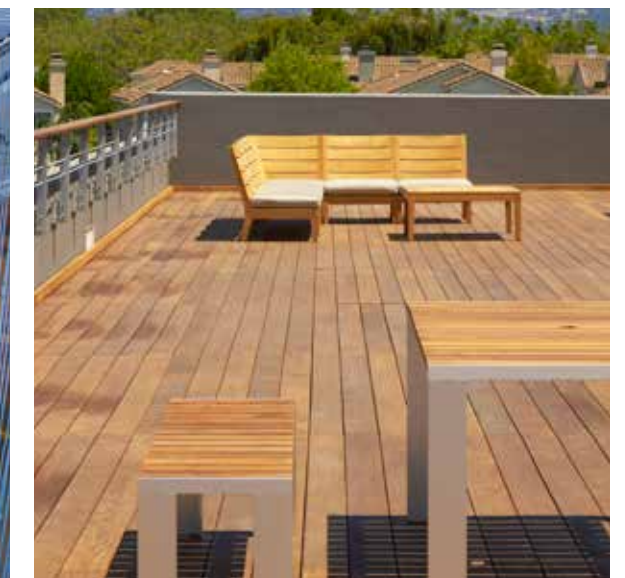

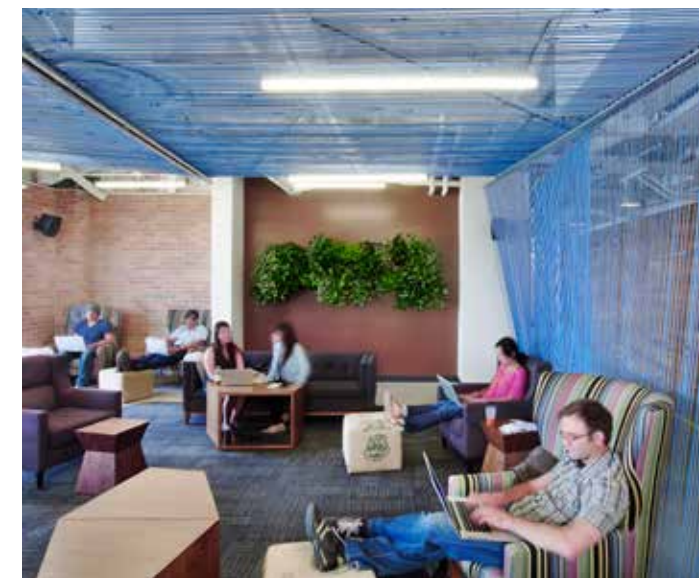

**Open office solutions
will address choice
in the following**

Acoustics Quiet or ambient noise

Lighting Brighter/dimmer than surroundings

Visual View obscured or back protected

Posture Upright or lounging

Thanks!
